This screenshot shows a web form for calculating BMI. It features three input fields for 'YOUR AGE', 'YOUR HEIGHT', and 'YOUR WEIGHT', each with a placeholder example (e.g. 20, e.g. 180, e.g. 70) and a unit (cm, kg). Below these is a 'result :' label and two buttons, 'CALCULATE' and 'RESET'. The form is set against a light green background with a teal sidebar on the left.
